- Note: 1. The two sides of the product case are glued together so in order to  
reach the transmitter, the case must be broken.  
2. Disassembly of the sealed device would destroy the product.

The above materials contain trade secrets and proprietary information not customarily  
released to the public. The public disclosure of these materials may be harmful to the  
applicant and provide unjustified benefits to its competitors.

The applicant understands that pursuant to Section 0.457 of the Rules, disclosure of  
this application and all accompanying documentation will not be made before the date  
of the Grant for this application.

Sincerely,
